For iPhone

OKLAHOMA HEART HOSPITAL
PROUDLY PHYSICIAN OWNED

Intelligent Hub Setup

Get Email, TigerConnect, and More

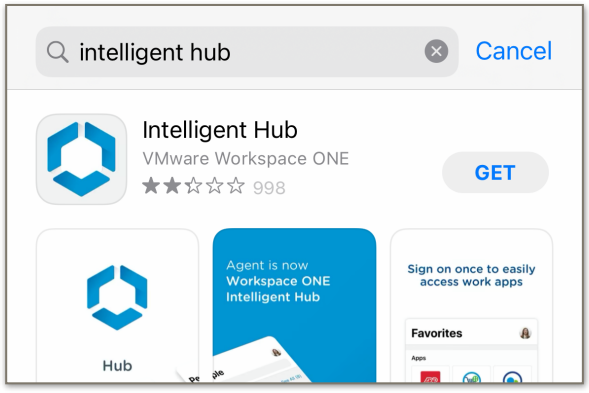
What is Intelligent Hub?

An app which allows OHH IT to set up your OHH email, contacts, calendars, TigerConnect, and other apps and resources. It respects your privacy and doesn't collect personal information like text messages, photos, etc.

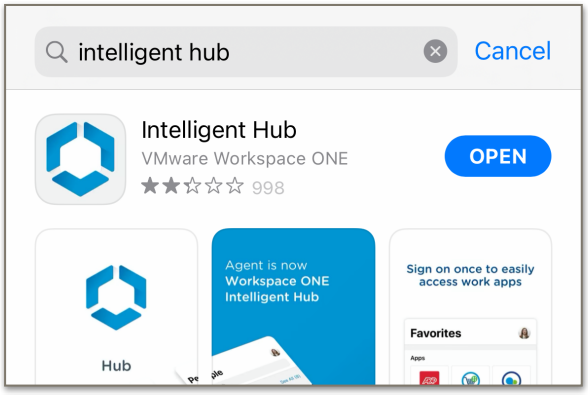
Install Intelligent Hub

Open the App Store

Search for "Intelligent Hub".
Tap GET or to download.

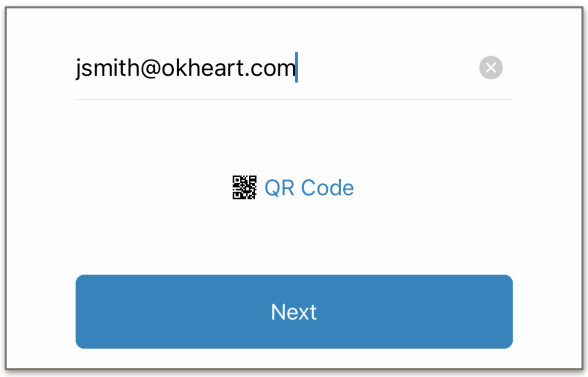


Once downloaded, tap OPEN.

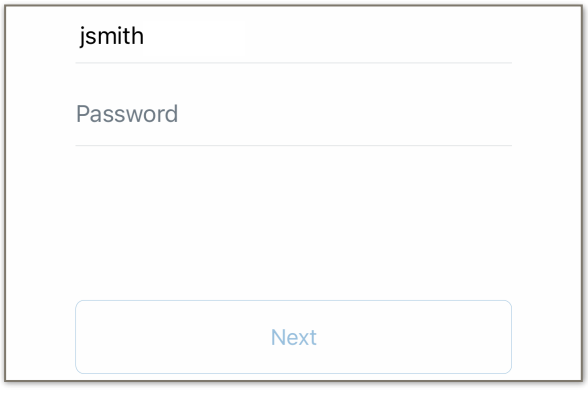


Set up Intelligent Hub

Enter your OHH email address.

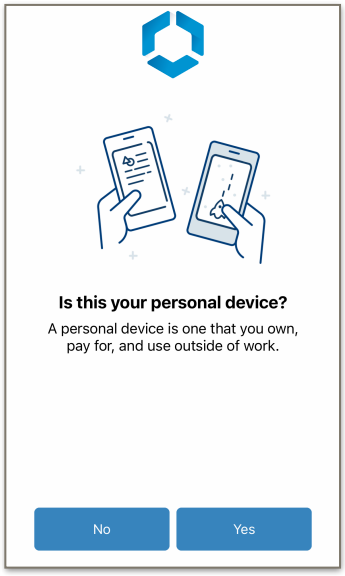


Enter your OHH username & password.

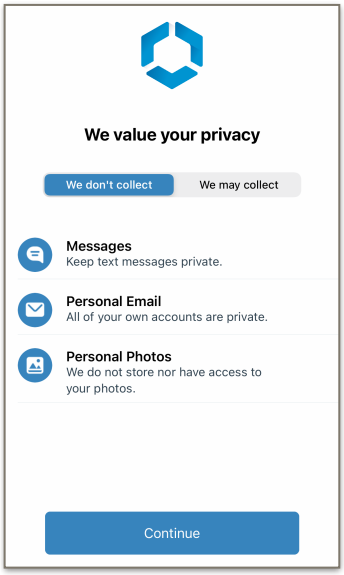


Tap Next.

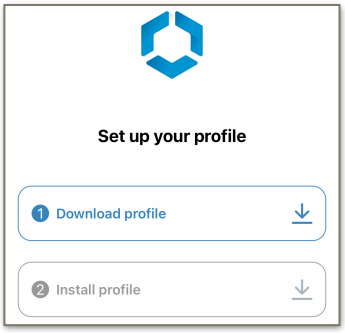
If this iPhone belongs to you, not OHH, tap Yes.



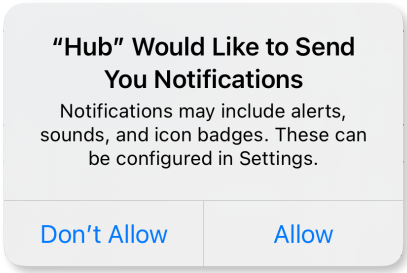
Tap Continue.



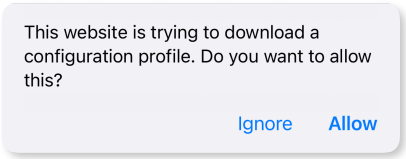
Tap 1 Download profile.



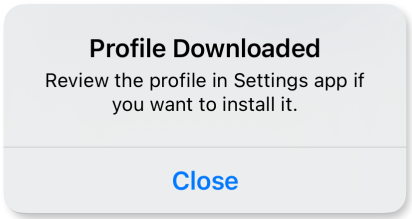
Tap Allow.



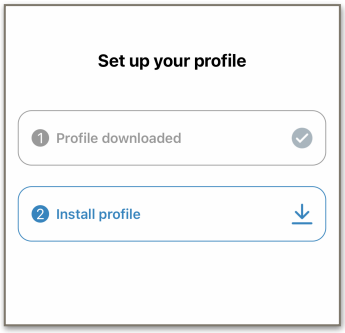
Tap Allow.



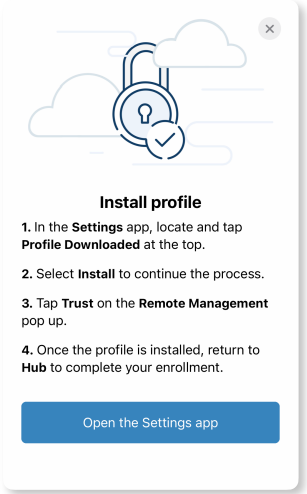
Tap Close.



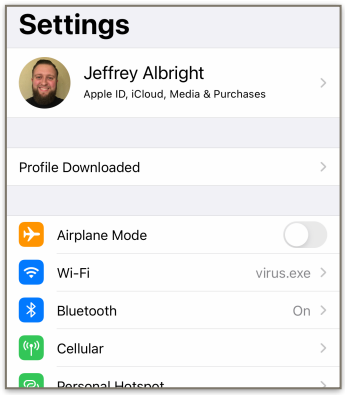
Tap 2 Install profile.



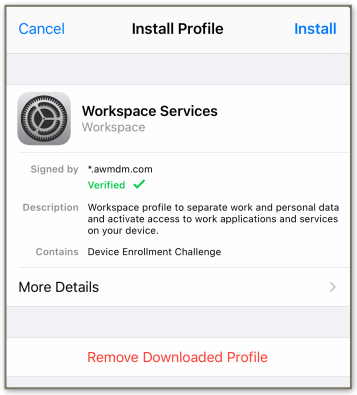
Tap Open the Settings app.



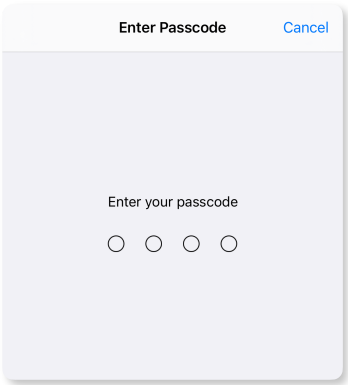
Tap Profile Downloaded.



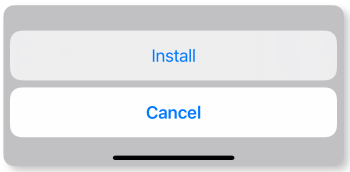
Tap Install.



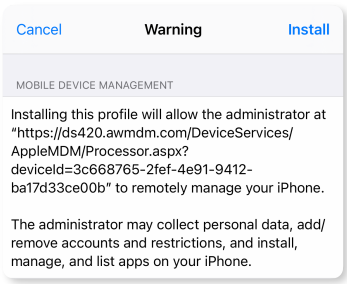
Enter your iPhone's passcode.



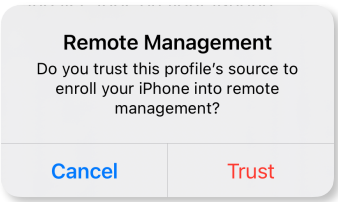
Tap Install.



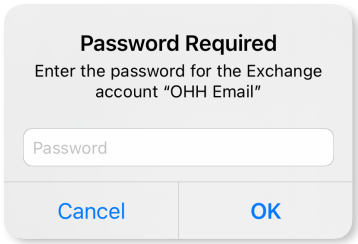
Tap Install.



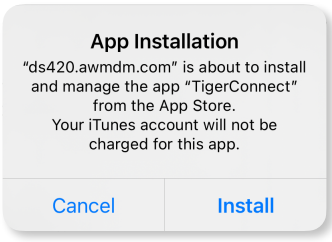
Tap Trust.



In the next 15 minutes you'll see this screen.
Type your OHH PC password and tap OK.



You may receive the TigerConnect secure messaging app.
Tap Install if you see this.



You're done! Email, contacts, calendars, and anything else you're supposed to get will begin downloading and should finish in the next 15-45 minutes.
