

For Android

# Intelligent Hub Setup

Get Email, TigerConnect, and More

## What is Intelligent Hub?

An app which allows OHH IT to set up your OHH email, contacts, calendars, TigerConnect, and other apps and resources. It respects your privacy and doesn't collect personal information like text messages, photos, etc.

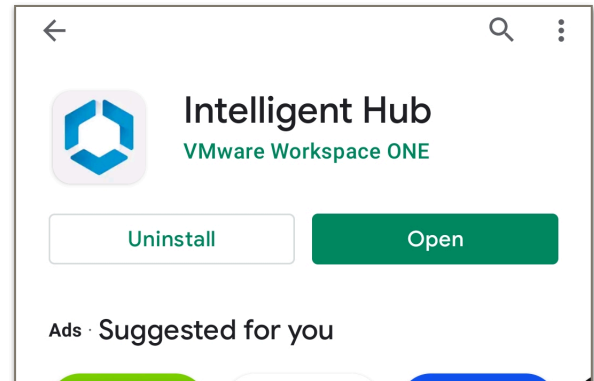

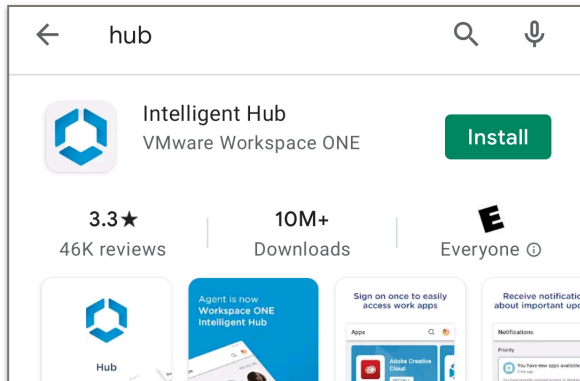

## Install Intelligent Hub

Open the Google Play Store 

Search for "Intelligent Hub".

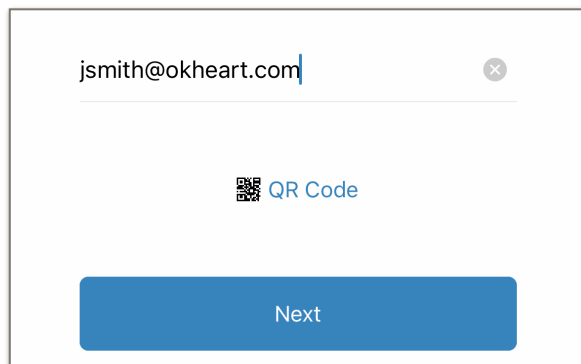

Tap .

Once downloaded, tap .

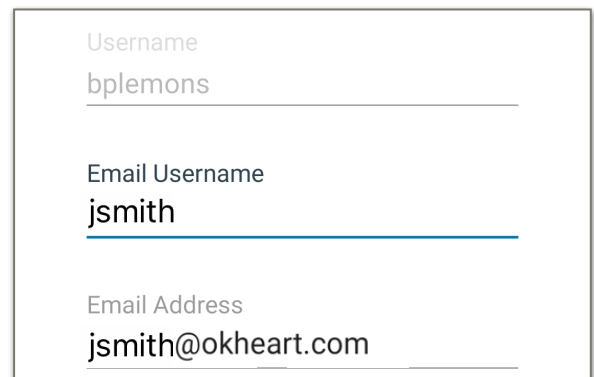

## Set up Intelligent Hub

Enter your OHH email address.

Enter your OHH username & email.

If this phone belongs to you, not OHH, tap  Employee Owned & tap **NEXT**.

**Ownership**

Additional information is required to provide you with access to productivity apps and other resources.

Employee Owned

Corporate Owned

**NEXT**

Tap **I UNDERSTAND**.

**Your privacy matters.**

VMware Workspace ONE collects information that is required to provide secure access to your work data and applications. Below you will find an overview of data collected by Workspace ONE and Hub to provide optimal performance, security and support. For information about how your company handles information collected by Workspace ONE, please contact your company.

For information regarding the data VMware collects in connection with your use of this application for product improvement and other analytics purposes, see the Trust & Assurance Center and VMware's Privacy Notices.

Contact your company's IT administrator if you want to find out how to un-enroll your device and discontinue access to this app.

**Device Management**

Tap here for an overview of data collected from this device to provide access to work resources and to secure company data stored on this device. The data collected is based on your company's configuration. Your company has access to this data and some or all of the data collected may be visible to your IT administrator.

**I UNDERSTAND**

Tap **I AGREE**.

**Want an even better app experience?**

Help us improve and develop new app features and functionality that will make you even more productive.

We would like to collect information about your usage of our app to better understand how users interact with our apps and how we can improve the app experience. We analyze this usage data in the aggregate and not in any way that identifies you. You can change this setting at any time.

For information about how VMware handles your usage data if you elect to share this data with VMware, visit <http://www.vmware.com/help/privacy.html>

Tap **Agree**.

**Set up a work profile**

Your work profile will be managed and monitored by your organization.

**Agree**

Tap **GOT IT**.

**Always accessible**

Quick access to corporate apps from anywhere.

**GOT IT**

You're done! Your work apps are now installed under a separate home screen labeled "Work". See below.

Note: apps with the  icon are managed by the Intelligent Hub and are work apps.
